

Dear Parents/Guardians:

Our unit will be attending Camp Bud Schiele during _____. I hope your scout will be with us at camp. The qualified staff has been recruited by Camp Bud Schiele to give our Scouts a memorable experience that they will remember for the rest of their lives. Each Scout must bring with him to camp a current BSA Annual Health and Medical Record Form, including Parts A, B, and C. This form must be signed by a parent/guardian and a licensed medical professional. This is very important for your Scout's health and safety and must be dated within the last 12 months. **No one can attend camp if they don't turn in this form! Unless otherwise arranged, the scout fees are the parent's responsibility to pay. Please ask your Scoutmaster about the Camp refund policy before you make payments.**

Below you will find several helpful pieces of information about Camp Bud Schiele:

- New Scouts: Generally speaking, you will participate in the Trailhead Program. This program is designed to help first-year campers scouts advance in rank and become more proficient in outdoor skills.
- If you are taking the Lifesaving merit badge class, be sure to pack a long-sleeve button-up shirt and long pants in order to complete the floatation requirements.
- The camp operates a store for the convenience of its campers. It is stocked with equipment, t-shirts, snacks and a lot of other items. Most Scouts spend an average of \$75 during the week for items like drinks, snacks, and other items.
- Camp Bud Schiele's phone number is 980.745.3258. Please use this number only in cases of emergency.
- It is necessary for you to know your Scout's unit number.

Camp Contact Information:
